

APV VAN

The ideal business partner

Compact, lightweight and extremely versatile, the 1.6 litre APV Van is the perfect choice for light-commercial, freight or fleet businesses. It's big on the inside where it counts, big on power, and big on economy, with passenger car comfort and a host of features that make doing business easier. Spirited performance and all round utility ensure the APV Van offers real value for money while meeting the diverse needs of today's – and tomorrow's – business.

Full-width tailgate swings upwards to provide easy access, while the **flat floor** maximises the overall cargo capacity. APV Van has a much larger carrying capacity than its compact exterior dimensions would suggest, rivalling many larger vans for useable space.

Servo-assisted, ventilated front **disc brakes** coupled with leading and trailing drums at the rear provide excellent stopping power, especially under load.

High mounted headlight and taillight assemblies offer better visibility and reduced vulnerability in minor collisions.

Comfort and safety go hand in hand

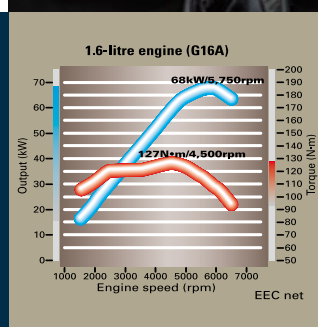

Get behind the wheel of an APV Van and you'll feel like you're in a well-appointed passenger car. Major controls and storage compartments are ideally placed for functionality. Keyless entry and air-conditioning provide comfort and convenience, while slide and recline-adjustable seats with adjustable headrests add to the comfort.

Dual SRS airbags are just part of the APV Van's safety package, with built in TECT crumple zones, rigid cabin construction and side impact beams.

Power and economy are supplied by Suzuki's 1.6 litre, fuel injected engine – the same unit that has powered many of Suzuki's SUVs.

The lightweight aluminium 1.6 litre 16-valve SOHC engine is extremely fuel-efficient, yet delivers plenty of mid-range power and torque.

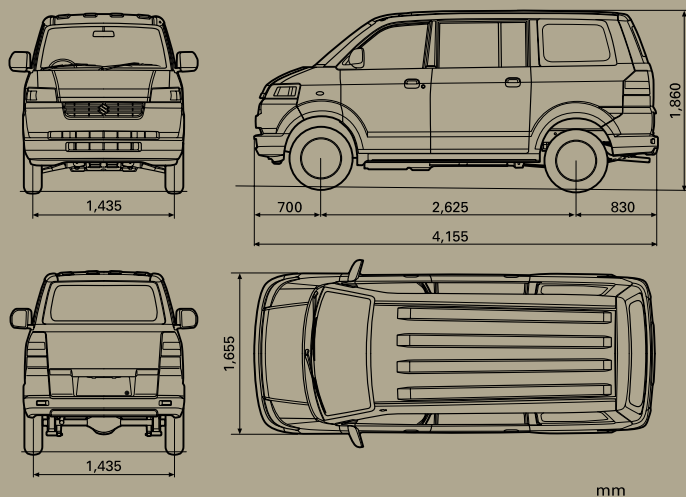

APV

Major Equipment

Air conditioning / Single CD audio system / Antenna / 2 speakers / 3-spoke urethane steering wheel / 3-position front cabin light / Sun visors with driver's-side ticket holder / Grey vinyl seats (slide and recline-adjustable) / Front passenger's access-support grip / Halogen headlamps / 2-speed front wipers / Front and rear mud flaps / Dual SRS airbags / 3-point ELR pre-tensioner seatbelt x 2 / Side-impact beams / High-mounted stop lamp / Hood lining / Power steering / Central door locking / Keyless entry / Front floor mats / Load area floor mat.
